

Remarks/Arguments

This Amendment is responsive to the Notice of Allowability mailed on October 17, 2007. The Specification has been amended.

In particular, "Abstract of the Disclosure" has been amended to summarize applicants' invention as recited in applicants' allowed independent claim 29. Applicants submit that the amendments to the Specification add no new matter in the application. Moreover, these amendments relate to formal matters only and their consideration is not believed to require a substantial amount of additional work on the part of the Office.

Accordingly, entry of this Amendment under the provisions of 37 CFR § 1.312 is respectfully requested.

Additionally, applicants respectfully request that the Examiner telephone applicants' undersigned attorney at the number below to advise applicants' undersigned attorney as to whether or not this Amendment is being entered.
